Rudow Vacuum Cups

William B. Rudow, Inc. is a world leader in manufacturing & supplying vacuum cups of various sizes, shapes, and materials - and has been since 1946. Our cups are used for a wide variety of applications, including pick-and-place, label application, packaging, materials handling, and more. Whether short or long production runs, for custom or standard designs, we offer short turnaround times. We can quote custom cups from supplied drawings or reverse engineer from customer-supplied cups.

The following pages show a sampling of our more popular cups – listed by type. If you do not see what you need here, please check our full product line which is available online at www.rudow.com.
